For more information, visit: [conserve.yourSCVwater.com](http://conserve.yourSCVwater.com)

Call: (661) 513-1247 Email: [conservation@scvwa.org](mailto:conservation@scvwa.org)

\* Customers are required to complete a Commercial Facility Survey in order to determine rebate program eligibility. Rebates are offered on a first come, first serve basis, and funding availability. Rebates are applied as a credit to your water bill unless otherwise stipulated. Thank you for your participation and interest in SCV Water's Water Efficiency Works Program.

## 💧 Turf Replacement Program

### PROGRAM REQUIREMENTS

- **Rebate:** \$3 per square foot
- **Native Plant Bonus Incentive:** additional \$0.25 per square foot
- **Project size:** up to 2,499 square feet\*
- **Location:** large landscapes (HOA community landscaping, parks, landscape maintenance districts, businesses and industrial areas)

SCV Water will issue rebates upon completion and verification of turf removal.

*\* Pre-approval required for projects larger than 2,500 square feet*

## 💧 Smart Controller Rebate

### PROGRAM REQUIREMENTS

- **Rebate:** Weather-based (smart) Irrigation controllers at the rate of \$25 per active station (valve), up to the cost of the device
- **Qualifying entities:** Homeowners' Associations, Parks and Landscape Maintenance Districts

## 💧 School Retrofit Program

SCV Water will conduct a “check-up” of your outdoor water use and indoor equipment/fixtures at your school, analyze historical consumption, calculate a water budget for the school, and make recommendations for improvements to help save water. The recommendations may be accompanied by a grant up to \$15,000 to implement the most cost-effective recommendations.
