Attention Ms. April Jacobs

Dear Mr. Stone:

NEGOTIATED TAX EXCHANGE RESOLUTION ANNEXATION OF PROJECT L 038-2020 TO COUNTY LIGHTING MAINTENANCE DISTRICT 1687

We request that the Santa Clarita Valley Water Agency participate in the exchange of ad valorem property tax in conjunction with the annexation of the territory known as L 038-2020 to County Lighting Maintenance District (CLMD) 1687. This proposed exchange would provide revenue to CLMD 1687 to partially fund the operation and maintenance of street lighting service provided within the annexed territory. This territory, whose boundary is shown on the enclosed proposed annexation map, is being processed for the Board of Supervisors' concurrent approval of the annexation and transfer of ad valorem property tax between the affected taxing agencies and CLMD 1687.

For new annexations to a CLMD, our procedures require us to process the exchange of property tax revenues with all nonexempt taxing agencies. Under Section 99.01 of the California Revenue and Taxation Code, special districts providing new services to an area as a result of a jurisdictional change are entitled to a share of the annual tax increment generated in the area being annexed. CLMD 1687 meets the definition of a special district under Section 95(m) of the California Revenue and Taxation Code. CLMD 1687's share of the annual tax increment is to be taken from all of the other local taxing agencies providing services within the annexed area with the exception of school entities, which are exempted by law. If a taxing agency involved in the negotiation does not adopt

a resolution providing for the exchange of property tax revenue, the Board can determine the exchange of property tax revenue for that taxing agency.

Enclosed are Joint Resolutions between Los Angeles County and the Santa Clarita Valley Water Agency approving and accepting the negotiated exchange of property tax revenue resulting from the annexation of the subject territory to CLMD 1687. Attached to the Joint Resolution, is a Property Tax Transfer Resolution Worksheet prepared for Tax Rate Area 08975 listing the share of the annual tax increment to be exchanged with the Santa Clarita Valley Water Agency, other affected taxing agencies, and CLMD 1687. The tax rate ratio(s) listed on the worksheet were calculated using a formula approved by the County Auditor-Controller and County Counsel. As shown on the Property Tax Transfer Resolution Worksheet for L 038-2020, Tax Rate Area 08975, the current tax share ratio for the Santa Clarita Valley Water Agency is 0.051941153.

Out of the Santa Clarita Valley Water Agency's tax share, the Santa Clarita Valley Water Agency would allocate 0.001122396 to CLMD 1687 with a net share of 0.050818757 to the Santa Clarita Valley Water Agency. Monetarily speaking, a \$10,000 increment in assessed valuation of a parcel means that the parcel will pay an additional \$100 in property taxes, of which the Santa Clarita Valley Water Agency would receive \$5.0818 and CLMD 1687 would receive \$0.1123.

Please have the resolution executed and returned to us by email with an e-signature approval of the resolution to jojimenez@pw.lacounty.gov by **March 26, 2024**.
