FOR IMMEDIATE RELEASE

Join SCV Water for Open House

Saturday, May 12 at 9:00 AM at Central Park

To celebrate California's Water Awareness month, SCV Water will hold its annual Open House on Saturday, May 12 from 9:00 a.m. to 2:00 p.m. This free event is for all SCV residents and provides information and tips on water-saving tools and practices. It will be held at Central Park and at the SCV Water conservation garden and patio located above the park.

Vendors will showcase products and services focused on water efficiency, landscape ideas and services, and environmental sustainability. Special programs will include a composting workshop, Ranger Frank and his Wild Friends, and a children's water conservation show called "H2O, Where Did You Go?".

Free popcorn, frozen lemonade and free face painting will be offered, and guests can enjoy the conservation garden, with it's beautiful view of the valley. A free trolley will run between the park and the garden throughout the event.

Central Park is located at: 27150 Bouquet Canyon Road, Santa Clarita. For a complete schedule of events, look for the "In the Spotlight" section at yourSCVWater.com.

###

About SCV Water:

The Santa Clarita Valley Water Agency (SCV Water) is a full-service regional water agency located in the Santa Clarita Valley. SCV Water provides water service to business and residential customers – half are local groundwater supplies and the other half is imported from the State Water Project and other sources.

SCV Water was formed on January 1, 2018 and combines the former service areas of Castaic Lake Water Agency, Newhall County Water District, Santa Clarita Water Division and Valencia Water Company. Following a multi-year public engagement process, the agency was formed through Senate Bill 634 authored by Senator Scott Wilk and signed by Governor Jerry Brown on October 15, 2017. SCV Water was formed to improve regional water management, enhance water governance and reduce costs for local ratepayers.
