## 2018 Water Quality Report

The [2018 Water Quality Report](#) is now available on our [website](#). This annual report describes in detail the quality of local water supplies in the Santa Clarita Valley during 2017.

The State Water Resources Control Board Division of Drinking Water requires water agencies to provide all customers an annual report on the quality of drinking water and to show how it meets federal and state drinking water standards.

The cover of the '2018 Consumer Confidence Report' features a young girl with brown hair and bangs, smiling and holding a glass of water. The text 'YOUR ANNUAL CONSUMER CONFIDENCE REPORT' is overlaid on the image. A green box on the left contains the text 'June 1'. Below the image, it states: 'Beginning June 1, 2018, SCV Water's 2018 Consumer Confidence Report will be available online at yourSCVwater.com. Printed copies of the report will be available at your retailer location.' The SCV Water logo is in the bottom right corner. At the bottom, a blue bar contains the text: 'To request a copy of the report by mail Please call (661) 297-1600'.
