- 4) 6/13/24 ACWA GW Committee SGMA Implementation Sub-Committee meeting via Zoom.
- 5) 6/14/24 DCA Board of Directors briefing via Zoom.

Date of meetings: June 6, 11, 13, & 14 as noted.

Location: As noted above.

SCV Water Board Meeting to be presented at: June 18, 2024

June 6

I attended the 15th Annual State of the County event at the Valencia Hyatt Regency, with Supervisor Kathryn Barger, presented by SCV Chamber of Commerce. I found the program interesting and informative.

June 6

I attended the Delta Conveyance Design and Construction Authority (DCA) Finance Committee meeting via Zoom at the SCV Pine Street Office. The primary topic before the committee was review of the draft 24/25 fiscal year budget. Following review of the draft budget, the committee voted to recommend adoption to the full DCA Board of Directors at the June 20th meeting in Sacramento.

June 11

I attended my monthly meeting with DCA Executive Director Graham Bradner via Zoom. We discussed status of the DC Project and matters coming before the board at the June 20th meeting.

June 13

I attended the ACWA Groundwater Committee SGMA Implementation Sub-Committee meeting via Zoom. Points of interest are as follows:

- ACWA policy updates included status of AB2079, which did not get out of committee and is dead for this year; ACWA is looking to provide GW funding in the Climate Resilience bond which is under consideration.
- There was no additional information provided on DWR guidance and BMPs.
- A report was provided on the GRA Summit held in Sacramento. Topics covered included subsidence, stakeholder engagement, adjudication, successful recharge projects, and funding, funding, funding.
- A group discussion was held on the ACWA Spring Conference and ideas for the future.

June 14

I attended the DCA board briefing, which includes 3 members of the DCA Board of Directors, the Executive Director and project team. The meeting is held via the Zoom platform. The purpose of the meeting is to receive an update from DCA ED, staff and DWR representatives on project status and issues that will be coming to the DCA board at upcoming meetings.
