UNTIL February 22 2024
REGISTRAR - RECORDER/COUNTY CLERK

Project Description:

The Honby Tanks Pipeline Project would involve construction and operation of a new pipeline to convey water to and from the Honby Tanks and the Honby Booster Station. The new pipeline would be constructed of either steel or ductile iron and would be upsized from 16 inches in diameter to between 24 to 30 inches in diameter. The proposed pipeline would be buried underground for the entirety of the alignment and would not have any aboveground components upon completion.

This is to advise that the Santa Clarita Valley Water Agency has approved the above (input checked) Lead Agency or (input unchecked) Responsible Agency

described project on 1/16/2023 (date) and has made the following determinations regarding the above described project.

- 1. The project [input unchecked] will [input checked] will not have a significant effect on the environment.
- 2. [input unchecked] An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. [input checked] A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
- 3. Mitigation measures [input checked] were [input unchecked] were not made a condition of the approval of the project.
- 4. A mitigation reporting or monitoring plan [input checked] was [input unchecked] was not adopted for this project.
- 5. A statement of Overriding Considerations [input unchecked] was [input checked] was not adopted for this project.
- 6. Findings [input checked] were [input unchecked] were not made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:

Santa Clarita Valley Water Agency, 26521 Summit Circle, Santa Clarita, California 91350

Signature (Public Agency): [Signature] Title: Chief Engineer
