

NEWHALL COUNTY WATER DISTRICT

“You Save, We Pay.”

A Customized Water Efficiency Rebate Program

Newhall County Water District is offering to all commercial customers (e.g. businesses, schools, non-profits) a rebate to install water saving devices or technologies that are not available in any other current or past rebate program

What are the benefits of a customized program?

It provides you with the flexibility to install unique and innovative water-saving technology and be recognized for your efforts. It allows NCWD to offer as many rebates as possible on devices and technologies that can save water.

What devices or technologies qualify for a rebate?

Any devices or technologies will be considered, as long as it has quantifiable water savings.

How much is the rebate?

All rebates will be based on water saved and will be determined on a case by case basis.

Are there any devices or technologies that don't qualify?

NCWD will review all customized rebate requests and reserves the right to qualify or exclude any proposed device or technology.

What do I need to do to receive a rebate?

Directly contact the water efficiency department at 661-259-3610 x 811 or email us at waterefficiency@ncwd.org.

All emails must include Program Name, Customer Name, Service Address, Account Number and a Contact Number

When you have been accepted into the rebate program, we will email you an application. DO NOT purchase any devices or technologies until you have received approval and have received the application.
